

Take a Teaser or Full Assessment to self-assess your organization against the principles and best management practices common to high performing organizations. The Teaser Assessment takes 5 minutes and delivers a complementary report to your inbox. The Full Assessment takes 15 to 30 minutes depending on organization size. Aggregate results will be posted on the open LinkedIn site for the Organizational Excellence Technical Committee.

The research study was launched by OETC and has been supported by the Global Benchmarking Network, International Academy for Quality and the ISO Technical Committee 176. It is being conducted voluntarily by Organizational Excellence Specialists and the technological platform is being hosted by QLBS.

The principles and best management practices are based on leading global excellence models. Over 25 years of research has validated the positive relationship between implementing these models and improving organizational performance.

As a thank you, please download a complementary copy of the Organizational Excellence Framework publication, that integrates the global excellence models and provides implementation guidelines for the user, at <http://organizationalexcellencespecialists.ca/>
